Conversion of Hyderabad Telephones

3713. PROF. C. LAKSHMANNA: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there is any proposal with the Central Government to replace all telephone exchanges in Hyderabad telephone district by electronic exchanges;

(b) if so, to what extent this replacement has taken place so far; and

(c) by when Government propose to complete this programme?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI GIRIDHAR GOMANGO): (a) to (c) The replacement programme is a continuous process depending on the availability of resources.

So far, 2500 lines at Saifabad and 2200 lines at Secunderabad and satellite exchanges at Saroornagar, Chandrayangutta, Rajendra Nagar, Golconda, Taranaka and Cantonment have been replaced by electronic exchanges in Hyderabad Telephones.

STD Facility in U. P.

3714. SHRI ANAND PRAKASH GAUTAM: Will the Minister of COMMUNICATIONS be pleased to state:

(a) what are the names of the districts in Uttar Pradesh which have not yet been linked with STD facility; and

(b) by when Government propose to link Barabanki and Farrukhabad districts with STD facility?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI GIRIDHAR GOMANGO): (a) 15 district headquarters in Uttar Pradesh namely, Gonda, Hardoi, Lalitpur, Azamgarh, Ballia, Bahraich, Barabanki, Chamoli, Ghazipur, Hamirpur, Jhansi, Farukhabad, Tehri, Deoria and Uttarkashi have not yet been linked with STD facility.

(b) Barabanki and Farukhabad are proposed to be provided with STD facility by the end of Seventh Plan.

Rural Communication Services

3715. DR. YELAMANCHILI SIVAJI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) what is the target date to equip every village with Post Office as well as public call office; and

(b) whether there is any priority for the location of public call offices in rural areas?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI GIRIDHAR GOMANGO): (a) There is no proposal to provide a post office in every village. Only villages which fulfil the prescribed norms are considered for opening of new post offices in accordance with the target provided in each Annual Plan.

However, it is planned to provide a telephone in every village by the year 2000 A.D.

(b) As per the present policy the Department of Tele-communications plans to provide at least one long distance public telephone on fully subsidised basis in each hexagon of 5 kms size each. For this purpose the country has been divided into such hexagons. There are 50280 hexagons in the country and as on 31-3-1988, 28,447 hexagons have been provided with Telecom. facility.

Postal and Telephone Facilities at Agricultural Marketing Yards

3716. DR. YELAMANCHILI SIVAJI: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether there is any priority for providing postal and telephone facilities at all agricultural marketing yards, irrespective of profit or loss in view of the interest of vast public gathering at those places throughout the year; and

(b) if so, what are the reasons for closing the existing post office at Guntur agricultural market yard?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS (SHRI GIRIDHAR GOMANGO): (a) All important institutions including agricultural marketing yards are given priority for opening of post offices under the postal plan. For such post offices a loss limit of Rs. 2,400 per annum is also provided (Rs. 4,800 in the case of hilly, backward and tribal areas). No such priority, however, exists in providing telephone facility.

(b) The post office at Agricultural Market Yard Guntur was discontinued in 1985-86 on account of insufficient work and incurring of loss in excess of the permissible limit.
